DARK

DARK BY RIOR

is a Ukrainian manufacturer of professional nail products, successfully operating in both B2B and B2C markets for over 7 years. We create nail materials trusted by thousands of nail artists. At the core of our philosophy are quality, aesthetics, and support for nail professionals. We regularly update our color palette, launch new collections, adapt products to meet the needs of experts, and help masters grow through educational content and events.

DARK

WHY DO CUSTOMERS CHOOSE US?

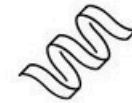

EXPERTISE

We teach how to work our product, providing expert advice, which is an important criterion for us in communication with clients.

TRUST

We are a company with 15 years of experience in the nail industry. The brand was created by a nail artist for nail artists, which is why our top priority throughout the entire journey has been to create products that professionals

SAFETY

All our products undergo long testing; working with our products is about safety and taking care of clients' health.

PRODUCT PORTFOLIO:

- ☐ Base & Top coats
- ☐ All for extension
- ☐ Nail art products
- ☐ Pedicure products
- ☐ Gel polishes
- ☐ Nail art products
- ☐ Liquids (prep & care)
- ☐ Tools & Accessories

DARK

DARK SCOTCH BASE

Volume: 50 ml, 30 ml, 15 ml, 6 ml

Acidity:

DARK SCOTCH BASE is a medium acid base coat for a substrate for solid materials, camouflage base coats and low acid base coats. The base coat is intended only for the substrate and is NOT intended for leveling! (all medium and high acid base coats are not intended for leveling, as the middle layer of such base coats can cause chemical burns).

- ☐ Medium acid pH4
- ☐ Strong plate adhesion
- ☐ Medium non-runny texture
- ☐ Flexible yet firm
- ☐ Not for allergic

DARK ICONIC BASE

Volume: 15 ml, 6 ml

Acidity:

DARK ICONIC BASE this is a medium-acid base coat designed as a foundation for hard materials, camouflage, and low-acid bases. It ensures easy self-leveling and even distribution. This base is intended only for the base layer and light leveling.

- ☐ Medium acid pH4
- ☐ Ideal thin foundation
- ☐ Fast leveling texture
- ☐ Keep tacky layer
- ☐ Not for allergic
- ☐ Can be used for leveling

DARK PRO BASE CLEAR

Volume: 15 ml

Acidity:

DARK PRO BASE CLEAR This is a clear, low-acid base coat (pH 6.5) with a medium consistency, designed for easy nail plate leveling. It does not cause a strong burning sensation under the lamp.

- ☐ Quick thin leveling
- ☐ No delamination (peel)
- ☐ Low-acid clear base (pH 6,5)
- ☐ Safe nail leveling
- ☐ No strong burning
- ☐ Not nail strengthening

DARK POTAL | OPAL | SHINE BASE

Acidity:

Volume: 30 ml, 15 ml

DARK PRO BASE are camouflage, low-acid base coats with a medium consistency, designed for application in a thin or medium layer.

- ☐ Low-acid camo bases
- ☐ No time delamination
- ☐ Pigmented fast-dry formula
- ☐ No intense burning
- ☐ Quick thin leveling
- ☐ Flexible not rigid

BEST-SELLER

DARK PRO BASE

Acidity:

Volume: 50 ml, 30 ml, 15 ml

DARK PRO BASE is a camouflage low-acid base coat of medium consistency, designed for covering nails with a thin or medium layer.

We do not recommend using base coats for long, very thin nails, and for a square with straight edges. For such nails, we recommend using solid materials

- ☐ Low acid pH6.5
- ☐ Quick thin leveling
- ☐ Well-pigmented fast dry
- ☐ No intense burning
- ☐ Flexible not rigid
- ☐ No delamination over-time

TEXTURE

TOP NO WIPE

Volume: 50 ml, 30 ml, 15 ml, 6 ml

DARK TOP NO WIPE – a clear, non-sticky top coat with a UV filter, specially designed for light shades. Its formula provides a perfect shine and protects the color from fading, which is essential when working with light gel polishes. Suitable for both gel and gel polish systems.

- ☐ Four-week high gloss
- ☐ Flexible not rigid
- ☐ Easy self-leveling texture
- ☐ No chipping issues
- ☐ UV yellowing protection

TOP NO UV FILTERS

Volume: 50 ml, 30 ml, 15 ml, 6 ml

DARK TOP NO UV FILTERS is a clear glossy top coat with no sticky layer and no UV filters, designed for gel and gel polish application (systems).

- ☐ Flexible chip-resistant finish
- ☐ Multi-brand system compatible
- ☐ No blue tint
- ☐ Beautiful high gloss
- ☐ Four-week durable shine
- ☐ Easy self-leveling texture

MATTE TOP

Volume: 15 ml, 6 ml

DARK MATTE TOP is a velvet-effect matte top coat suitable for both light and dark shades.

- ☐ Medium consistency texture
- ☐ Universal brand compatible
- ☐ Flexible chip resistant
- ☐ True color finish
- ☐ Has sticky layer
- ☐ Four week durability

DARK ICONIC TOP

Volume: 30 ml, 15 ml, 6 ml

DARK ICONIC TOP is a clear, non-wipe finish coat with a UV filter, specifically designed for light shades. Its formula provides a perfect shine and protects the color from fading, which is particularly important when working with light gel polishes. Suitable for both gel and gel polish applications.

- ☐ Four-week high gloss
- ☐ No sticky layer
- ☐ Strong UV protection
- ☐ No intense burning
- ☐ No chipping issues
- ☐ Smooth buttery texture

DARK TOPS WITH EFFECTS

Volume: 10 ml, 6 ml

DARK VITRAGE TOP is a semi-transparent glossy top coat with a stained-glass effect, no sticky layer, and no UV filters, designed for gel and gel polish application.

- ☐ Easy self-leveling texture
- ☐ Four-week glossy finish
- ☐ Flexible chip resistant
- ☐ Easy self-leveling texture
- ☐ No UV filters
- ☐ Universal brand compatible

DARK CAMOUFLAGE TOP

Volume: 10 ml

DARK CAMOUFLAGE TOP is a glossy non-wipe top coat with a UV filter, designed for gel and gel polish application.

- ☐ Four-week glossy shine
- ☐ Flexible chip-proof
- ☐ Multi-brand compatible
- ☐ Easy self-leveling
- ☐ Pedi thin coat

GEL POLISH

Volume: 10 ml, 6 ml

DARK GEL POLISH are pigmented color gel polishes with a large palette and carefully selected shades for every nail technician.

- ☐ Four-week color stability
- ☐ Self-leveling properties
- ☐ Medium consistency
- ☐ Dense color pigmentation
- ☐ Long-lasting chip resistance
- ☐ Fast thorough curing
- ☐ Wide color palette
- ☐ One-two coat application

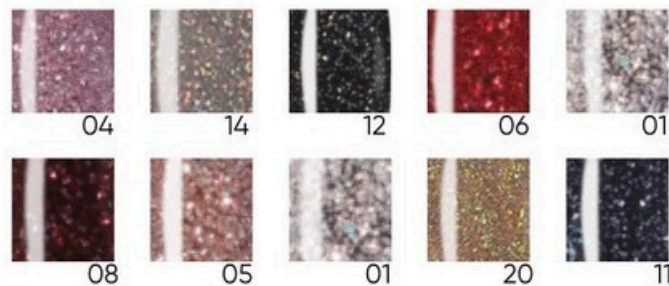

DARK GEL POLISH FLASH

Volume: 10 ml

DARK GEL POLISH FLASH are pigmented reflective color gel polishes with a large palette of carefully selected shades for every nail technician.

DARK GEL POLISH CAT EYE

Volume: 10 ml, 6 ml

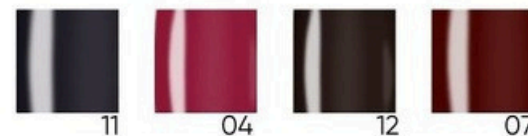

DARK GEL POLISH CAT EYE are semi-transparent color gel polishes with a cat-eye effect, featuring a large palette and carefully selected shades for every nail technician.

DARK GEL POLISH VITRAGE

Volume: 6 ml

DARK GEL POLISH VITRAGE are semi-transparent color gel polishes featuring a large palette and carefully selected shades for every nail technician.

DARK POLYGEL

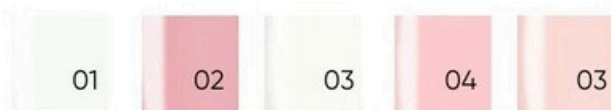

Volume: 30 ml | 30 ml tube

Hardness:

DARK POLYGEL is a material that combines gel and acrylic systems. Key feature: POLYGEL has a putty-like consistency; it does not run and does not dry without a special lamp. It is used for strengthening, extensions, repairs, and restoring the nail shape.

- ☐ Convenient soft consistency
- ☐ Doesn't run, clogs nothing
- ☐ Doesn't stick to brush
- ☐ Easy to file

DARK IRON GEL

Volume: 15 ml

Hardness:

DARK IRON GEL a thick jelly-like consistency gel. Holds shape well, allowing you to build up corners and extend length in the air. Strong and maintains sharp corners that do not wear down. Holds the arch perfectly.

- ☐ Degrease the surface
- ☐ Undercut natural nail
- ☐ Apply Scotch Base
- ☐ Shape and file

DARK SMART GEL

Volume: 60 ml, 30 ml, 15 ml

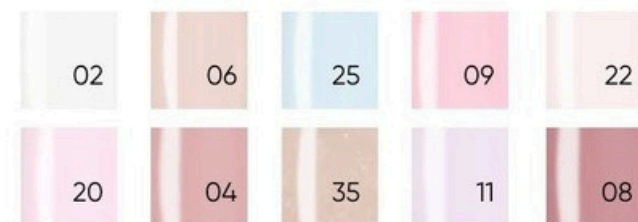

Hardness:

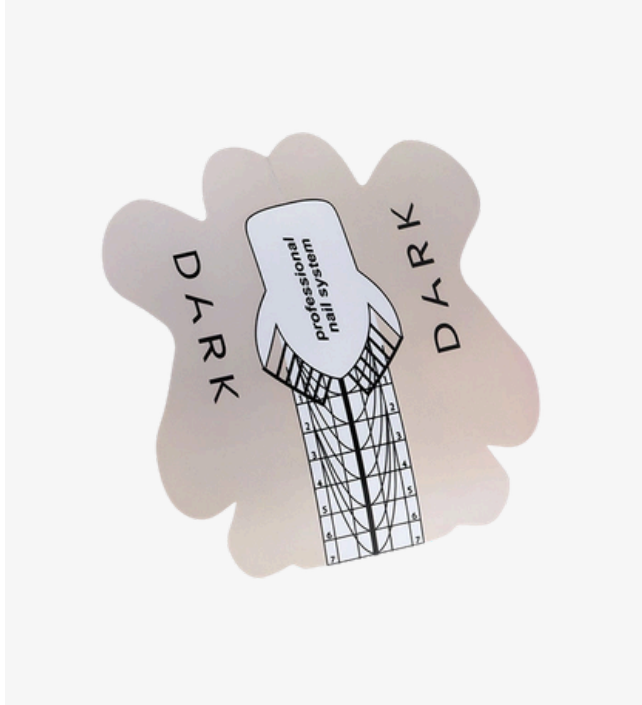

BEST-SELLER

DARK SMART GEL is a medium-thick consistency gel designed for nail strengthening, extensions, and repairs.

- ☐ Versatile for lengths
- ☐ Low heat drying
- ☐ Pinchable high-temp gel
- ☐ Strong, not brittle

BALLERINA

UNIVERSAL

SQUARE

STILETTO

DARK FORMS FOR EXTENSION

Set | Upper forms

Molds are silicone liners designed to create a perfect French smile line when extending nails using upper forms

- ☐ Dense yet flexible, convenient to use
- ☐ Reusable forms
- ☐ Each tip has length markings
- ☐ 12 tip sizes - each with a serial number

LONG BALLERINA

OVAL

GOTHIC BALLERINA

DARK GEL PAINT

Volume: 5 g

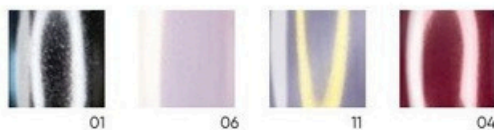

DARK GALACTIC GEL a gel for designs and full nail coverage. It can be used for creating gradients as well as for single-color coverage.

DARK RUB-IN POWDER

Volume: 0.5 g, 1 g

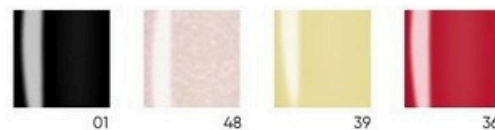

DARK RUB-IN POWDER – a powder for various nail designs. These powders are available in different shades and effects. They have varying levels of transparency, allowing you to achieve different results depending on the base color.

DARK STAMPING POLISH DARK

Volume: 10 ml, 8 ml

STAMPING POLISH DARK are stamping polishes that transfer easily with proper technique. They feature a wide color palette and rich pigmentation. They have a non-thick consistency and work effectively with all types of stampers.

DARK PLATE

Volume: 5 g

DARK PLATE – a metal plate for creating designs using the 'stamping' technique. It features deep and clear patterns for convenient work. A wide selection of designs allows for quick and easy creation of any nail art.

DARK DEHYDRATOR

Volume: 10 ml, 6 ml

DARK DEHYDRATOR is a liquid for degreasing and drying the nail plate before applying material. It is essential for better adhesion between the nail and the coating. This liquid is recommended for nails and hands with high moisture levels.

- ☐ Skin contact safe
- ☐ Apply before Ultrabond
- ☐ Airdry thirty seconds
- ☐ Wipe brush application

DARK ULTRABOND

Volume: 10 ml, 6 ml

DARK ULTRABOND Acid-Free Nail Primer enhances adhesion between the natural nail plate and the base coat without adding extra thickness. The acid-free formula makes it suitable for thin and sensitive nails.

- ☐ Double-sided adhesion
- ☐ Acid-free formula
- ☐ Non-damaging
- ☐ For weak nails
- ☐ Removes excess moisture

DARK CUTICLE REMOVER

Volume: 30 ml, 10 ml

DARK CUTICLE REMOVER is a professional product designed to quickly soften keratinized skin cells. The remover is formulated with alkaline components that ensure gentle and effective cleansing using an orange stick or pusher. It helps to increase skin elasticity and moisturization. Suitable for both home and professional use.

- ☐ Dropper application
- ☐ Non-drying formula
- ☐ Quick softening
- ☐ Avoid irritated skin
